#BREAKING: Indian High commission in Ottawa issues advisory for Indians to exercise high degree of caution in the backdrop of massive protests in Canada by trucker.

**High Commission of India

Advisory for Indian citizens in Canada and planning travel to Canada

The Canadian capital city of Ottawa and several other major cities including Toronto are currently witnessing protests with road blockages, demonstrations, large gatherings, and general strikes. This has led to disruptions to traffic, public transportation, and shortages of essential items, including food and water.

2. Owing to the prevailing situation, a state of emergency has been declared for the City of Ottawa. The impact on traffic and services is likely to continue and local authorities in other major cities of Canada may also impose curfews or other restrictions at short notice.

3. In view of the ongoing situation, Indian citizens in Canada and those planning to visit Canada are hereby advised to:

- Exercise a high degree of caution and remain alert;
- Avoid areas where demonstrations and large gatherings are taking place, such as downtown Ottawa;
- Follow the instructions of local authorities, including curfews;
- Monitor local media for information on ongoing demonstrations and the evolving situation.

4. A special emergency helpline (+1) **6137443751** has been set up in the High Commission in Ottawa to provide assistance and guidance to Indian citizens in distress due to the ongoing disturbances in Canada.

5. Indian citizens in Canada are also encouraged to register with the High Commission of India in Ottawa or Consulates of India in Toronto and Vancouver through their websites, or the MADAD portal madad.gov.in. Registration would enable the High Commission and the Consulates to better connect with Indian citizens in Canada in the event of an emergency.

- Social media information indicates that a donation site used by truckers in Ottawa who are currently protesting against national vaccine mandates has fixed a security lapse that exposed passports and driver licenses of donors.³
- CIG received reports of the following information observed near Parliament Hill:
 - Jerry cans lined up near the stage on Wellington.
 - One person counter demo on Wellington.
 - A poster of **Personal Info.** was spotted hanging on a fence on Wellington, calling **Personal Info.** a Cabal Agent (plotting to over throw government), stating she burned Canadian flag on PH and is not associated to the truckers or Freedom Movement.

- CIG OSINT viewed a video posted by **Personal Info.** on Youtube claiming that the Conservative party has 'hijacked this populist movement as a way to ride into power' and get the Liberals out.⁴
 - He outlines connections between key members of the Maverick Party (**Personal Info.**) and their links to the conservative government and claims the government has 'had their hooks' in this movement since the beginning.
 - He predicts that Pierre (likely Poilievre) will become the leader of the Conservative Party and the party will be elected, however that they will just continue the demand for vaccine mandates and QR code passports.
 - Instead, he mentions his support to Max Bernier and Randy Hillier who have been supporting the movement the entire time and have never changed their message.
